# Stay Ahead in Today's Accounting World with Becker Professional Education.

## Becker Powers Success

- › Becker Professional Education is an ACCA Approved Content Provider for study materials for the ACCA and DipIFR qualifications.
- › We have been producing study materials and delivering courses for professional accountancy qualifications worldwide since 1957.
- › Our in-house ACCA specialist faculty team drives the creation and delivery of new and effective study materials.
- › Our proven solutions have supported over half a million professionals on their career journeys.

## Effective and Efficient Resources

Becker materials are reviewed by the ACCA's examining team, ensuring the best breadth and depth of syllabus coverage required for ACCA exams – offering total assurance to ACCA students and tutors that they have got the right tools for the job.

## ACCA Examination

The ACCA examination syllabus comprises a distinct and progressive scheme of 14 examinations. All Fundamental Level papers, consisting of the Knowledge and Skills Modules, are compulsory (unless exemptions have been granted for a paper).

### Main Examination Details

- › All the examinations consist of written papers in English and are two or three hours and 15 minutes in duration.
- › The exams for the papers in the Fundamental Level (F1-F4 English and Global) can also be taken via On Demand Computer Based Examination method – these exams last two hours and can be sat at any time of the year at a CBE centre.
- › Session Computer Based Exams are available for Fundamental Level exams F5, F6 UK, F7, F8 and F9 in select cities with the intention of future global coverage. These can be taken at a CBE centre on scheduled exam dates during each of the four yearly exam sessions.
- › Maximum of four papers may be taken at one examination session.
- › The pass mark for each paper is 50%.
- › Students have up to 10 years in which to complete the examination scheme.

## Tutor Materials

When tutors choose Becker materials, we provide them with the following ACCA-Approved Teaching Resources; all produced by subject experts with 20 years' classroom experience:

- › **Tutor Lesson Guidance:** To help structure your Taught Courses, the Lesson Guidance is flexible to cater for courses of different structures and durations. It includes invaluable teaching tips and references ACCA's Practical Experience Requirements (PER) which is a performance target in ACCA's Approved Learning Partner programme (ALP).
- › **Tutor Revision Guidance:** To help structure your Revision Courses and obtain the optimal blend of revising theory and applying it to past exam questions.
- › **Study Programme:** A Structured overview of paper coverage including scheduling for monitoring tests and mock exams. A sustained period of study, across the whole syllabus, is essential to your students' success - the Study Programme establishes this right from the start of their studies.
- › **Two Monitoring Tests:** Essential for quickly identifying students who require remedial intervention. These are 1½ hours duration — except F1-F4 (Eng), which are 1 hour duration.
- › **Two Mock Exams:** Exam style and standard mock exams are essential in preparing students to pass. The model answers includes invaluable tutorial notes, a marking scheme and points of feedback. These are 3 hours and 15 minutes duration — except F1-F4 (Eng), which are 2 hours duration.
- › **Tutor Teaching Slides:** In PowerPoint format, these are ideal for tutors who wish to use slides as part of their course delivery. Each slide is referenced to the Study Text and cross-referenced in the Lesson Guidance.

All components are available for individual sale. Contact a member of our Sales team for more information (See back cover).
